Foreword

The results of last week's fixtures threw a new light on the final four and today's games are of major importance to several sides if their hopes for final participation are to be fulfilled.

Kenwick at last put their game together when they overwhelmed form side Armadale. If they had performed in this manner earlier in the season they would now be certain final four participators and it will be very interesting to see if they can continue in this vein. Armadale could really be in strife because of this loss as their percentage is not good and could go against them in the final count.

Kelmscott as expected easily beat Thornlie and at the same time improved their already good percentage. The coming games are vital for them. It must be a very long season for Thornlie and they are to be admired for their improving efforts against much stronger teams.

Gosnells continued on their merry way. When will it stop? Their supporters are talking of a possible repeat of their 1964 undefeated record however there is a lot of water to go under the bridge yet. Kwinana are battling and at this stage just do not have the players to match the all round strength of the top sides.

Maddington beat Kalamunda but all clubs should beware of Kalamunda they are improving and could be the side to upset some of the aspiring finals contenders.

Canning fell over the line at Mandurah and face up to a hard task if they are to be a force in the finals. Injuries have hit them very hard and they will need all players fit and firing so as to return to their early form. Mandurah as usual at home produced a closely contested game and this side although lacking in depth are great contributors.

Congratulations to Kelmscott on their 80th Anniversary. As you will notice this gazette has a supplement giving a short resume of their proud past. It is indeed pleasing to see the League recognise a Club in this manner and it is a first for the S.S.M.N.F.L. and all clubs can look forward to their own history being presented in similar fashion.

I am sure that all clubs wish Kelmscott all the best on reaching this milestone.

TODAY'S GAMES:

Armadale v Thornlie Armadale too strong.

Kelmscott v Gosnells Not tonight Josephine. Gosnells.

Kwinana v Mandurah A real toss up. Mandurah.

Canning v Maddington Not twice in a season. Maddington.

Kalamunda v Kenwick Kalamunda by 5 points.

THE HAWKS

Last Sunday all teams put in great team displays which resulted in victories all round with a double by the league and reserves against Kwinana at Gosnells Oval and a comfortable win by the Under 19's against Armadale at Armadale. As far as the club, coaches, members and supporters are concerned, congratulations to every player for doing what has been asked both on the field and off. Players performances have reflected renewed interest and club spirit and so long as the pressure is maintained this will be a great year for all concerned.

In the League match Sid Websdale was voted best player and won the life members award also Barry Woodhead, Mark Smyth and Grant Denning excelled. Best players for the Reserves were Mick Trew who played an outstanding game the first with the Hawks, and also a great roving performance was contributed by Laurie Ricetti.

At this stage of the season the club is most grateful for the contribution Glen McAullay has made to the senior teams performance, in his role as tactician and much of his expert advice has reflected in the teams' success.

The Under 19's proved too good for Armadale and remain undefeated with a clear lead on the ladder of 2 games. Peter Daly won the best players Ampol Award followed by Colin Rand and Mark Pink who also played exceptionally well. After the game all the players enjoyed a Barbecue and refreshments at the coaches' residence generously hosted by the coach Lex Howden and wife Peggy.

PLEASE NOTE: On July 3 a great contest of football will be displayed at Gosnells Oval when the South Suburban Murray National Football League meet South Australia's River Murray League. A large crowd is expected and supporters of the club wishing to assist either in the kitchen or the bar please contact Joy Davies or Mai Smith in order to simplify the roster.

SOCIAL: Tickets are selling fast for the Sportsman's Night which is being held on Wednesday June 29th at the Gosnells Hotel. Tickets are only \$10 each providing refreshments, entertainment and supper. Tickets are available from Social Secretary Frank Sochacki or any of the committee.

MIGHTY ROYALS

Last Sunday's double against Armadale was a tremendous moral booster to all players and supporters of the club. It was good to see a few Armadale supporters stay after the game and enjoy our hospitality.

The reserves again won quite easily and it's not hard to see why they are the only unbeaten side in the reserves competition. It was a good team effort and players who did stand out and won trophies were Angie Fimognari and John Ballantyne.

The league match was the one we wanted to win to get revenge for the poor display we put up in the first round. It was a good one to win to celebrate Dusty Dillon's 100 league game for Kenwick. Even though the League says we are unfit, and Armadale are in the top four, we managed to kick 19.20 to their 8.7. It was also good to see our players concentrate for the whole of the game. Best players in the league match were Gary Worthington, who won the supporters award. Alf Stal (32 kicks). Ray Winduss (25 kicks, 11 handpasses), and Norm Miller won the Edna and Sonny Robins awards and Kevin Wilson who won the shirt from Mainardi and Co. John Riseley also played another good game, having had 19 kicks and 13 handpasses.

Don't forget the fashion parade on July 14. Remember girls, this is your evening, so try and support it.

This week we play Kalamunda who have a greatly improved league team and this game in particular just cannot be taken too lightly. Let's stay behind after the game and acknowledge the hospitality of the Kalamunda club.

KOUGARS

Last weeks' games were a bit of a mixture, for although we lost both games, both teams showed encouraging signs of teamwork and determination.

The League team again paid the penalty for playing only three quarters of football and although we were clearly the superior team in the second half it was too late to close the gap, however, this half produced some of the hardest hitting football that this club has ever played. Four quarters today against Kenwick, played in the same spirit as last week, can only result in a win for the Kougars.

The Reserves also played their best football for many weeks which must have been heartening for the coach. The same application today against the top reserve team in Kenwick will result in another performance of which we can all be proud.

FOOTBALL GAZETTE 4

THE LIONS

Sunshine and lollipops — this must be the formulae for a great day of football — both teams gave creditable performances against our strong opponents and the lolly counter kept all the kids happy — a blessing for Mums working in the canteen.

A team effort on the field and around the club is giving results on the scoreboard and the Lions den has the Thornlie spirit of determination and true grit. In the reserves game Tiger Mildwaters stood his ground, with support from Grandad Miller (again?), Cliff Donovan in ruck, Laurie Hunt in defence and D. Green.

In the league match, another tremendous hard fought, gruelling battle with players giving 100% for 4 quarters through the inspiration and example given each week by Coach Whyte. Players have lifted their own game by this "never say die" attitude and total effort.

Better players — B. Whyte, steadfast Allan Osborne, Mick Bateman, Gavin Denton back in form and youngster Gavin Cockran shining. Good to share a few drinks with our friendly victors after the game.

Lets give all we can against Armadale today.

LION OF THE WEEK.

Stevie Elliott (uncle of hotdog). One of our smaller and younger players, trying hard every week in the league team. Joined the club last season after 8 years with Kenwick.

A welcome visitor at last weeks game was Dave Gaunt after being sick in bed for a number of weeks. A now much slimmer Dave expects to be back at training in a couple of weeks.

Cabaret tickets are still available from Dennis Humfrey. Remember the date — the 1st of July at the Lesmurdie Hall — Bring all your mates.

Also a cheap day at the races is being organised for July the 2nd, so if you are a "sporting man" see the coach for details.

Finally, I would like to extend an invitation to all the Kenwick players, supporters and officials to attend our After Game social at the Wattle Grove Hall immediately after today's game.

KELMSCOTT FOOTBALL & SPORTSMENS CLUB INC.

SPECIAL SUPPLEMENT

In 1898 a group of local residents formed a new sporting club in the district to be known as the Kelmscott Football Club. They decided to field a team wearing Blue and White guernsey's to draw together players from Kelmscott and the flourishing timber mills in the nearby hills.

On the 1st of January 1977 the Kelmscott Football and Sportsmens Club (Inc.) as it is now known reached a milestone, the age of 80 years. 1901 produced a premiership flag, which was the first of four, the last being in 1962. During that time the club was based at the old show ground oval in River Road where players had to contend with cold showers and poor facilities 1965-1973 the club was not the most impressive side in the competition with 30 goal defeats being the order of the day. The condition of our home ground did nothing to improve the situation.

However despite this we deservedly earned the title of Top Socia Club. Support from our loyal members through these lean years have done much to strengthen our club socially over the past years.

1974-1975 The Club moved to new headquarters at John Dunne Oval. And with a complete new approach to administration, facilities and unified club spirit Kelmscott have lifted from being a wooden spooner to a well organised body both on and off the field.

1977 So far has produced several milestones which can only serve to make the Club stronger in future years.

Three examples of the progress are the constitution of a licensed Club, Juniors and professionalism.

LICENSED CLUB.

After many years of planning, talks, delays and frustration work has now commenced on the new Club Rooms. Comprising a large lounge area, kitchen, modern well equipped Bar, Games area and office. Stage 1 of the construction will be valued at a replacement cost of \$200,000.00. An undercroft when developed at a later date will add a further 35 squares of recreational use for our members and their guests.

The Club have also purchased a block of land in Kelmscott and will shortly commence construction of a house. All members, players and supporters have been asked to assist and when sold the proceeds will be used to benefit our sport.

JUNIORS

The Kelmscott Juniors have made a big impact on the Club. Seven sides have been fielded, all of which are in the four. With approximately 250 registered players next year could see 1 or 2 further sides being a possibility. Our local Juniors have recently come under notice from our parent club Perth where several of our boys are playing in various grades at Lathlain Park. This year Craig Brierty from the 16's and Under was selected in the state schoolboys squad.

PROFESSIONALISM

The committee this year has been successful in obtaining sponsorship from local businessmen for various awards throughout the club. These awards when totalled amount to over \$2,250.00 and are additional to normal match payment incentives, etc. The support given by the business houses of the district will be greatly appreciated by the recipients.

For the first time this year Junior football will greatly benefit by a donation of \$300.00 from Oliver Hume Pty. Ltd (Home Builders) to be awarded a Educational schoolships for all grades.

All clubs have now seen our new unifrom and warm up jackets. The committee wish to thank all those who kindly donated them and ask all members to support these firms whenever possible.

Social 1977 is a birthday, 80 years old. The committee this year are asking for a great effort from all members and supporters to celebrate this year with the Bulldogs.

THE BULLDOGS

Another 4 valuable points against Thornlie last Sunday — Every win from now on by our league side brings them one step closer to the four.

Best Players: Kim Bingham, Glen Mezger, Tony Hildebrandt, Brian Andrijich and Murray Hansen. A stronger reserves side won comfortably, however coach Andy McIntosh must be worried at the lack of endeavour shown by his charges in the first half of last week's game. In fourth place and their nearest rivals 3 games behind a lethargic attitude can still spell DISASTER if not corrected quickly.

Best players: Jeff Steele, Tony Bewsher, Kevin Ryan and a creditable effort by Ray Witt on his return to the club.

Today's Game against League leaders Gosnells at home promises to be a great game and a real crowd pleaser, because of the importance of the outcome to our club. We look to our players for a special effort on this our

80TH ANNIVERSARY GAME. As all our supporters know. Our biggest attributed is our pride in playing for our club and wearing its colours, add to this a great fighting heart and you have a team of dedicated players who with your support will achieve because they believe.

The 18s and Under continued on winning with a heartstopping last quarter effort. Maddington went on to the field with dedication and desire to be first to that ball and thus the Kelmscott boys were running second to the ball for 3 quarters. With a few constructive moves the coach was able to bring the players together as a team. With a good score before and on the siren Kelmscott ran out winners 9.8 to 8.4. Best players were Richard Chapman, Greg Brown, Peter Douglas and L. Collard. Today we play Armadale and it is a must for all players to produce 100% dedication and desire and concentration for a 100% effort.

TALK OF BULL

The reserves game last week against Kalamunda was of a very high standard. Players from both sides were desperate for the ball and used great pace and vigour at all times to win possession. Naturally many physical clashes resulted and it was noticeable that at no stage did the umpire lose control. In fact in many ways he contributed to the generally high standard of the game.

For the Bulls, Mick O'Halloran played a superb captain's game and was an inspiration to his team mates for the four quarters. Others to way-in with solid contributions were Alan Bank, John Polart, Merv Parkin, "Hocus" Schmook and Alan Riley.

While it is always good to win, the improved performance by the seconds last week was not entirely unexpected following the previous weeks poor display. There is a tendency at the moment by this team to run hot and cold, and while this tendency remains, there is little point in becoming over excited about any win. Today's encounter with Canning will test the character of all the players.

In the League match the Bulls established a big break of nearly 10 goals by quarter time and obviously felt that the game was as good as over. Players who had done so much in that first quarter were rarely sighted after that and their form and attitude must be disappointing for the coach Dennis Cometti.

Laurie Maggs was one player whose form could not be faulted. He was a tower of strength on the half-back line and repeatedly repelled the oppositions attacking moves. Greatly assisting him in this line of defence was Rod Mohr at centre half back, while others to play well were Jim Butler and Jim Di Carlo.

SOCIAL: Members are reminded that this coming Sunday the 3rd July there will be a **HAPPY SUNDAY MORNING** session in the licensed clubrooms. THE TIGERS

The Tigers recorded their second winning double for the season with a convincing win in the Seconds and a not so convincing win in the League at the home of the Seaside last Sunday. Terry Freemantle's boys sprang into action with a devastating 10 goal first quarter thereby putting the result of the game beyond doubt at the first charge. A late challenge by Mandurah was insufficient to overcome this deficit thus making it 3 in a row for our number two side. Best Players in a very even and good team performance were Murray Nich, Graeme Dugmore, Garry Gover and Don Slear. Don is a talented and strong youngster who is tipped to gain a place in the senior side very shortly.

The league side's 10 goal quarter was the third one, and meant the difference between winning and losing in a tight hard game. Ron Wilcox erupted for the first time this season and delivered his charges a verbal blast at half time that virtually shook the club-room foundations. The desired result was obtained and scintillating football was produced by the Tigers, leaving Mandurah wallowing in their path.

Those who gained votes were Paul Polsen, John Moore, Steve Goodall (another 7 goals) Craig Nock, Terry Freemantle and Jim Johnson. John Moore is a late inclusion in the combined squad and the selectors must surely take a hard look at Paul Polsen — his football at the moment is "Vintage Polsen".

Congratulations to Tim Johnson who today plays his 100th game for the Tigers. Tim has served our club well in many respects over a long period and his form of the moment should guarantee to make this occasion a personally satisfying one.

Belated congratulations to Mark and Kathy Capstick who became proud parents along the Archibalds and Vines last fortnight and apologies for the late mention.

DEMONS DIGEST

1977 65 YEARS YOUNG

Back to Gwynne Park today, as hosts to Thornlie F.C., the Lions. All Lions and umpires are invited to our friendly after-match social, win or lose

Last week was somewhat of a black weekend for the Demons, when the League, Reserves, Under 18's and Under 16's all lost their matches.

Firstly the League game. Kenwick white-washed us with good four quarter footy. No excuses from the Demon camp. 'Foreword' predicted that we had the confidence to beat Kenwick. The Demons had a "no sweat" confidence, the worse kind. Kenwick has done this side a favour by bringing home my belief that all clubs are hard to beat, and proving the point convincingly. This side cannot and must not play this badly again this round, if they are to stay in the four. Fortunately for them, they had enough points credit to pay for this defeat. But, never forget that no club is going to loan you four points. The best three players were hard to find for the normal reasons, and not because they all played so well. My three were Geoff Byrne, Gary Greer and Charlie Tenardi.

I did not see the Reserves match, but the captain "Fish" Heron said that the Demons put in a good first half, but ran out of puff in the second half. His two best players for the game were "Killer" Davey, and Lindsay Galloway. Lack of fitness has always been a problem with this side, the reason is simple enough, lack of, or no training. I'm certain that this team would not put their money on an untrained horse, yet they gamble their lack of fitness to win games. This is a bookie's paradise fellas! You don't have to be told how to beat the odds, do you?

The Under 18's lost to Gosnells at Gwynne Park by four goals, but were psychologically beaten before the game started because of the Hawks unbeaten run. Just remember fellas, the game is not lost until the final siren, and not a minute before. This team has suffered a loss in numbers. Five or more players are away in the army training camps. So, if any of you Demons know a lad in this age group, please send him along to training and get him signed up. All the newcomers will be appreciated and made to feel at home straight away.

Mrs Doreen Sparrow best wishes for a speedy recovery from your recent operation. See You Soon.

NOTICES: Don't forget our mid-season ball on Friday 22nd July at the Armadale Hall. Music by the popular "Adam Four", supper provided, licensed bar, and the floorshow is the striptease artist Juanita del Fuego. Persons under 18 years of age will NOT be admitted. Tickets are \$10 per double. See

"Fish" or "Dutchie", but be quick, for this is open to the public and orders are coming in already!

LITTER: Must be a great feeling to chuck your paper, cans, bottles, empty your ashtrays from your cars etc., knowing that some poor mug will pick it up. This club is the ONLY club that puts bins around the ground, yet still the litterbugs' true colours come shining through. Perhaps litter inspectors from the Shire might be the answer. I am personally prepared to call them in if things don't improve.

ALCOHOL: This club displays the necessary signs for this. However, nearly 50% of the litter is beer cans and bottles (not in the bins of course). The management committee is not and will not be responsible for any action by the "boys in blue". SAVVY?

THE KNIGHTS NOTES

I feel that the less said about last week's games the better. It proved to be a disastrous day for both teams and its obvious we'll have to recruit fairly heavily to field a top class side. There are still many players not giving their best to both coaches and teammates, or for that matter the club in general. Training for those who haven't yet realised it, is Tuesday and Thursday, Not One Night A Week.

Best Players: League — G. Cukrov, T. Davis, J. McBride and G. Groenenberg.

Seconds — M. Griffin, E. Riseberry, Noddy and M. Hunter.

Today we meet Mandurah and get the chance to regain some lost prestige. However, don't take them lightly as they always give us a tough time.

T. Dean has expressed disappointment at the lack of players making themselves available for the Saturday Busy Bees. All players are asked to support the committee in their efforts to finish the social club premises as these are essential to our future success.

I'd like to take this opportunity to thank the donors of the players Sunday Incentive Trophy. I remind players of their obligation to them. Lets support them by beating Mandurah today.

Social Note: Champagne and Chicken Breakfast on July 3rd at "Gunshee". See any committee member and kick on at the interstate clash afterwards.

KING ARTHUR.
